

About us

We are an independent, not for profit membership organisation created to bring together users of SyteLine, Infor CloudSuite Industrial & CloudSuite Business across the UK and Europe.

Benefits

- **Larger Conference Events**
 - User Stories, How to use, Golden Nuggets, Focus Sessions
- **Special Interest Groups (SIGs)**
 - Linked by Industry, Application Users, Departmental, IT etc
- **Structured Networking Groups (SNUGs)**
 - More informal version of SIGs with less formal presentations and more networking
- **Webinars**
 - Take part in educational, interactive webinars from the comfort of your own desk
- **Product Enhancement Process**
 - Access to Infor Product Management
 - Ability to influence future product enhancement priorities
- **Peer Networking**
 - Meeting other SyteLine Business Users
 - Forum via Linked In
- **Associated Product Presentations**
 - 3rd Party Application and Service providers
 - Finance offerings and Special terms for members
- **Website and Member Links**
 - Exclusive Member's Zone – network with fellow members
- **Product Training**
 - Delegate Days run by Infor Product Specialists, organised by the User Group
 - Subsidised cost to members

Events

Please refer to our website for full details of all our events

Try before you buy!

We invite you to attend one of our events to sample the User Group before committing to join.¹

¹ This offer applies to User Companies only.

Membership Fees

User Company	£396
Consultant	£396
Partner/Vendor	£680

Plus VAT

- User or Partner membership is for the company and not for the individual thus any number of colleagues may be part of the User Group on a single membership
- Consultant and Partner memberships include a link to their own website from the SyteLine User Group website
- Membership fees will be reviewed annually
